Comments below (please write legibly)

- slight accent, but did a good job being clear
- did a great job keeping the audience engaged
- Used other people's questions to help move along his presentation

Comments below (please write legibly)

- Great intro → little long for a 30min presentation  
     ↳ Really long...
- A little too dependent on powerpoint
- Tried to answer questions as best as possible  
     ↳ good questions = engaging presenter
- Very engaging

- Connects lesson to real world
  - outlined lesson in beginning and that allowed me to follow him better in his lesson
  - good attitude that made lesson more enjoyable
  - able to connect with both domestic and international students
  - gives numerous examples for each subtopic which allowed me to understand the lesson more.
  - interaction with class which makes lesson more memorable
  - praises students for interacting
  - Seems knowledgeable of concepts and knew responses to questions
  - easy to follow lesson and great lesson overall
- Great
